» *Every day I enjoyed being in Berlin. The course [European Studies] was really nice and the excursions were especially nice for me because if I hadn't applied for a FUBiS course I wouldn't have been allowed to get into embassies of different countries like Turkey, Bangladesh or Romania. I'd recommend FUBiS to others.*

FUBiS' goal is to provide a stimulating and rewarding experience – academically, culturally, and personally.

I was in the FUBiS Summer Program in both term II and term III. In term II I took the cabaret course, and it was absolutely fantastic. I would totally recommend it to everyone if you want to write your own show or perform something. In term III, I took a Deutsch course which helped me learn how to speak German and it was awesome! I really loved the teacher, the people were great, and I feel like I really learned a lot of German. It was a wonderful experience. You should definitely do it if you have time. <

Program Structure

FUBiS offers students several choices depending on term availability:

- Combination of language and subject classes – this allows students to improve their language skills as well as further their knowledge of a subject matter
- Combination of two subject classes which may count toward a major or minor at the home institution
- Intensive German language classes – these classes meet every weekday and allow students to focus on and thus considerably improve their German skills
- Participation in either one semi-intensive German class or in one subject class

Study and Field Trips

FUBiS classes make use of the vast historic, cultural, and political institutions and resources Berlin offers. Study and field trips to museums, memorials as well as political and cultural institutions are integral parts of the curriculum. In some classes students have the unique opportunity to attend specially organized and exclusive round-table discussions with decision makers, diplomats, and experts in their field of study.

Transcripts and Credit Transfer

Every FUBiS student receives a transcript of Freie Universität Berlin indicating the class(es) taken, the number of contact hours, the number of ECTS credits earned, and the grade(s) received in order to make credit transfer easy.

I really liked the organization of the FUBiS program. The staff was great and always available for everybody. My German teacher was also a highlight of the program. I loved it and I learned a lot. Berlin is the best city in Europe, and I have been to many cities!<

FUBiS offers a variety of extracurricular activities included in the Program Fee. Students are invited to participate in activities such as a River Boat Tour through downtown Berlin, a guided tour of the Reichstag Building and the Federal Parliament, and a weekly Movie Time, which presents popular German movies.

I had a lot of opportunities to actually practice my language skills in a country where the language is spoken rather than in a workbook or in a classroom. I felt like I was living a dream and I would definitely do the FUBiS program again. I recommend that anybody who has a passion for languages, especially German, to try FUBiS and come here to study. It was great!<
